1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. J. Bennett Mullinax on 1/10/2005. In the interview it was noted that the tabs 63, 64 in the Haining reference were connected by element 62 to be of one piece construction and thereby were not separate tabs. It was agreed to add the word separate on line 5 of claim 23 to distinguish over the prior art of record.

The application has been amended as follows:

In claim 23,

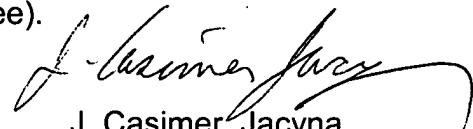

Line 5: "releasing release tabs" has been changed to -- releasing separate release tabs --.
